

My dear, youth

O Sad Master of the Universe who
has endowed man with the twin
capacities to do good and to do evil
to be joyful and to be depressed and
who has placed us in a ^{world} where
hope and despair, compassion and cruelty
are inextricably interwoven. Grant that
each of us will always be ^{given} ~~granted~~ the
ability to feel the good, the joyful
and the hopeful in life. Grant O Sad
that each of us will always be mindful
of the fact that it ^{is} only by working for
such wonderful organizations as ~~the~~ ^{the} Roman's
Myrah and for such a worthy ^{cause} ~~cause~~
as your child that we can
dispel the fumes of darkness within
ourselves and ^{with} the world and learn to feel

and appreciate the good and joyful ~~work~~
others, for ourselves and in the world. Grant
O Lord that all of us will be ^{always} counted among
those who seek to expand the realm of the
good, the gentle and the compassionate because it
is only by ~~working to help others~~ ^{so doing, perhaps} can we become
Compassionate ^{so for good} ourselves. Grant O Lord that Woman's
Myriad and Youth ^{will} receive all the support ^{physical, moral, & spiritual}
that they so desperately need and that we all
by doing our part will ~~be drawn closer~~
become better people and will be drawn
closer to each other and to Thee.
