וְיִשְׂרָאֵל יִשְׂרָאֵל
וְיִשְׂרָאֵל יִשְׂרָאֵל

Carving

O Lord Our Father, Creator of all things,

All Merciful, Loving & Kind, Master
of the Universe who has created man
with the urge to belong and to be

loved and also with the urge to excel

and to pursue ambition Grant that

in our zeal to succeed we will never
forget that man's worst curse is

loneliness and that all of us need a family,
people who care. Grant O Lord, Our

Father, that the work of this organization

& others like it will ever grow and

succeed and that the terrible plagues

of family breakups, alienation and
rootlessness throughout our land
will be halted & reversed. Grant O Lord
Our [God] Father that the eyes of all of us
will be opened to see that one of the most
serious problems we have today is our
young people's loss of a sense of community,
a sense of belonging. Grant O Lord Creator
of all things that among the distractions
of the Modern World we will
once again see the overriding importance
of the family and of belonging and once again
give it the support & importance it truly deserves.
Amen
