

Destiny

O Soul Master of the Universe
who oversees the destiny of all
and who has created us with basic needs
~~but who has given~~ ~~us~~
and the power ^{and freedom} to choose our own
paths Grant that each of us
will ^{always} use this power and freedom
to choose Grant that each of us will
always ~~be~~ ~~realize~~ that many
times the easier paths are not
~~always~~ the best paths because they
do not and cannot fulfill our
basic needs. Grant O Soul that all of us will
~~It is~~ ~~also~~ realize that
there can be no feigns of accomplishment

unless we have first tried ourselves
out by working on some worthwhile
~~project~~, ^{none of us} ~~that~~ can ^{expect to} ~~not~~ feel the joy
and happiness of warm family relationships
unless, ^{we first have appreciated the concern & affection} ~~we~~ ~~have~~ ~~children~~
~~for~~ our children and taken time out
to be with them and help them grow
~~is~~ that ^{none of us can ever} ~~we~~ ~~not~~ feel satisfied
and emotionally healthy unless we ^{first} have
acted responsibly and broadly. Grant O'Sul
that each of us will ~~choose~~ ~~work~~ and
that all of us by ~~looking~~ ^{fulfill our basic needs and} at what our real needs
are will ~~try~~ ~~to~~ ~~bring~~ ~~down~~ ~~them~~ ~~to~~
~~that~~ ~~we~~ ~~each~~ ~~order~~ ~~and~~ ~~to~~ ~~the~~ ~~same~~
